Notes:

1. Provide a brief description (couple of sentences) outlining your project and how it pertains to the environment and sustainability at UBC?

UBC's Art History Student's Association organizes an environmentally sustainable coffee table in Lasserre. We provide discounts for customers who bring their own reusable mugs, we use compostable materials such as pasta for stir sticks, as well as biodegradable cups, and we compost our used coffee grounds.

2. What is the dollar amount you are requesting from the SEC?

We are requesting \$30.00

3. What will SEC funding be used for?

Funding will go towards the purchase and delivery of biodegradable cups from Biodegradable Solutions

A note about Eco-Initiatives Grants

If your project is approved, the SEC will reimburse you for the purchases made. You must provide the SEC with proof-of-purchase. If you have any questions regarding the Eco-Initiatives Funding, please contact SEC Treasurers*. Arrangements can be made to provide students with funding before purchasing if they cannot afford to make the purchase for their project and then receive compensation. Reimbursement usually takes about 5 business days. Eco-Initiatives Grants can fund a wide variety of projects; any projects related to the environment or sustainability, and involving members of the UBC student body, will be considered. However, requests for funding for projects undertaken as part of coursework at UBC, or individual volunteer projects, must illustrate a connection to the wider student body at UBC.

Completed forms should be emailed to enviro@ams.ubc.ca. Alternatively, we welcome you to drop your form off at our office, Room 245B of UBC's Student Union Building. You may also mail us the form, though this may result in delays in processing. The Treasurers and other active members of the SEC would love to help you formulate your project, and will be glad to assist with the project's development and applications for funding.
