Eco-Initiatives Form \$100 to \$500

Name: [REDACTED]
Date: January 29, 2015
Contact Email or Phone: [REDACTED]
Club or Group Affiliation: Vanier Sustainability Committee and Vanier Coffeehouse
Amount Requested: \$200
TREASURER USE ONLY:
Approved Modified Denied
Submitted as of:
Notes:

1. Describe your project and its purpose (approximately 200 words)?

Vanier Sustainability and Coffeehouse are teaming up in order to create an event where students can showcase their musical talent in a sustainable manner. Vanier Sustainability wishes to teach students about the importance of sustainability and certain ways to become more sustainable such as properly sorting garbage. In addition, Vanier Sustainability is aiming to make Vanier Coffeehouse more sustainable for future Coffeehouse events.

- 2. Outline how your project pertains to the environment and sustainability at UBC (approximately 200 words)?**

Our project aims to accomplish two main goals. One is to make Vanier Coffeehouse more sustainable by having it consume less energy and start using less disposable decorations not only for the event on Feb 9 but for all future Coffeehouse events. The second goal is to teach the students attending the event certain ways to be more sustainable such as sorting garbage properly, and consuming less energy by unplugging electronics.

- 3. Are you pursuing any other sources of funding? If so, what sources, and for what amount? (SEC Treasurers can help you identify other sources of funding.)**

Currently we are not seeking any other funding.

- 4. What aspects of your project (purchases, bookings) will SEC funding be used for? Please outline the specific allocation of funds as much as possible.**

The funding will go towards investing in LED lighting, and a chalkboard for the event since previous events used paper signs and were thrown out afterwards. Another portion of the funding will go towards providing food

and snack for the students participating the event. Below is a breakdown of costs.

Food (Prices from Save-On Foods)

	<u>Weight</u>	<u>Price</u>
Daiya Cheddar Style Shreds (gluten/dairy free)	227 g *4	24
Cracker Barrel Havarti	600 g	13.35

A note about Eco-Initiatives Grants

If your project is approved, the SEC will reimburse you for the purchases made. You must provide the SEC with proof-of-purchase. If you have any questions regarding the Eco-Initiatives Funding, please contact SEC Treasurers*. Arrangements can be made to provide students with funding before purchasing if they cannot afford to make the purchase for their project and then receive compensation. Reimbursement usually takes about 5 business days. Eco-Initiatives Grants can fund a wide variety of projects; any projects related to the environment or sustainability, and involving members of the UBC student body, will be considered. However, requests for funding for projects undertaken as part of coursework at UBC, or individual volunteer projects, must illustrate a connection to the wider student body at UBC.

Completed forms should be emailed to enviro@ams.ubc.ca. Alternatively, we welcome you to drop your form off at our office, Room 245B of UBC's Student Union Building. The Treasurers and other active members of the SEC would love to help you formulate your project, and will be glad to assist with the project's development and applications for funding.
