

Eco-Initiatives Form: \$100 to \$500

Name [REDACTED]
Date Submitted: February 6, 2016
Contact Email or Phone [REDACTED]
Club or Group Affiliation(s): entrepreneurship@UBC – Student Network
Amount Requested: \$250
TREASURER USE ONLY:
Approved Modified Denied
Submitted as of:
Notes:

1. Please fill in the fields below to give us an overview of your project:

- Name of Project: Speed Dating with a CEO
- Objective or Purpose: To connect UBC students from all faculties and backgrounds to be able to connect to and be inspired by entrepreneurs.
- Brief Description: This FREE e@UBC Student Network event exists for UBC students across all faculties, and is all about individuals who saw opportunities to add value to the world and acted on it. This will be an event to connect students to entrepreneurs who come from various business backgrounds that all prove that success is all about passion.
- Project Date(s): March 3, 2016
- Expected Attendance: 100

2. Outline how your project pertains to the environment and/or contributes to sustainability at UBC (approximately 200 words).

As entrepreneurship@UBC - Student Network, we liaise and work together with many other business clubs such as Social Enterprise Club & eProjects. By sharing knowledge of possible funding sources like SEC to make events more sustainable would help the campus overall to be more green by increasing SEC's presence. In addition, to help our event stay as sustainable as possible, we are only promoting online through social media. During the opening of our event, we will thank everyone who helped us in executing the event which would include Student Environment Centre. As well, when ordering food, we are looking into companies that offer vegetarian options, are organic or locally sourced that is also within our budget.

3. Are you pursuing any other sources of funding? If so, what are those sources, how much are you expecting to receive from them, and what will those funds be put toward? (We can help you identify other sources of funding.)

While we are getting the rest of the food covered by entrepreneurship@UBC, as we went over budget for StartUp Weekend due to the catering by Peqish, we have a very tight budget to provide food. If there are any other options for catering that is cheap (approximately \$5/person) please let me know! It'd be very much appreciated.

4. What aspect(s) of your project will SEC funding be used for? Be as specific as possible with the allocation of funds.

We are currently looking at the various restaurants that food.ee delivers from. Currently, we are looking at the following places to order food from: Peqish, Rosemary Rocksalt, Ed's Daily, Hubbub Sandwiches. The website here has more details: food.ee/restaurants.

How to Submit the Funding Application

Completed forms can be emailed to sec.ubc@gmail.com (preferred) or dropped off at our office, Room 2106 of in the AMS Student Nest, during office hours¹. You are also welcome (but not required) to attend our weekly meetings² to present your project idea to our group, though we would appreciate an email informing us of this intent at least 48 hours ahead of time. The executive team and other active members of SEC would be happy to help you formulate your project as well as assist with its development and applications for funding.

If your funding application is approved, the Student Environment Centre will reimburse you for the specified purchases and expenses. You will then be referred to our Treasurer, whom you must provide with receipts and/or proof-of-purchases. Reimbursement usually takes about 5 business days. In the event that a student is unable to make the necessary purchase(s) to start their project, arrangements for advance funding can be made.

A Note about Eco-Initiatives Grants

Eco-Initiatives Grants can be used to fund a wide variety of projects: any projects related to the environment or sustainability, and involving members of the UBC student body, will be considered. However, funding requests for projects undertaken as part of coursework at UBC, or individual volunteer projects, must illustrate a connection to the wider student body. Should you have any questions regarding the Eco-Initiatives Funding, please contact feel free to get in touch with us using any of the aforementioned methods.

¹Mondays 2-3 PM, Tuesdays 1-2 PM, and Wednesdays 4-5 PM

²Tuesdays 5-6 PM in Room 2102 of the AMS Student Nest
