**1. Please fill in the fields below to give us an overview of your project:**

- Name of Project: Earth to Paris: Sending our Climate Message
- Objective or Purpose: UBCC350 would like to increase student engagement around COP 21 with the greater goal of raising awareness around global climate governance and how we can do our part on a local level.
- Brief Description: COP 21 kicks off on the 30<sup>th</sup> of November and we will be having our own event from 11:30-12:30pm to commemorate this hopefully pivotal week in history. Various student speakers, slam poets and musicians will be highlighting the relevance of global and local climate action through their various forms of art.

- Project Date(s): The Nest Agora Atrium on November 30<sup>th</sup>, at 11:30-12:30
- Expected Attendance: 100+ students

**2. Outline how your project pertains to the environment and/or contributes to sustainability at UBC (approximately 200 words).**

*Earth to Paris: Sending Our Climate Message* is an hour-long event being organized by UBCC350 with an expected audience of about 100 + people, primarily UBC students. Our goal is to amplify the youth voice in the global climate discussions by bringing together young passionate leaders to speak to the need for strong climate action locally, nationally and globally.

The UBC Board of Governors is scheduled to make a decision regarding divestment just a few days after this event, so we are also taking the opportunity to highlight the Divest UBC campaign as an important local action under the slogan "Commit globally; Divest locally! We would like to use the global attention on the climate conference to channel student's energy and passion for change to the UBC's divestment campaign. We truly believe that divestment of UBC's Endowment fund from fossil fuels is tangible and impactful in the global climate movement.

This year UBCC350 is really attempting to step up our social media presence so we can rely more on internet circles opposed to paper in spreading our event. That being said we still see the value in campus posters and would like to allocate funds to printing materials on recycled paper. We will also be doing our best to re-use fabric in creating our banner.

**3. What aspect(s) of your project will SEC funding be used for? Be as specific as possible with the allocation of funds.**

- Banner Materials:
  - Natural fibre cloth, hopefully second-hand - \$10
  - Paint: \$10
- Poster Printing:
  - 11x8 coloured on recycled paper - \$75

<sup>1</sup>Mondays 2-3 PM, Tuesdays 1-2 PM, and Wednesdays 4-5 PM

<sup>2</sup>Tuesdays 5-6 PM in Room 2102 of the AMS Student Nest

**How to Submit the Funding Application**

Completed forms can be emailed to [sec.ubc@gmail.com](mailto:sec.ubc@gmail.com) (preferred) or dropped off at our office, Room 2106 of in the AMS Student Nest, during office hours<sup>1</sup>. You are also welcome (but not required) to attend our weekly meetings<sup>2</sup> to present your project idea to our group, though we would appreciate an email informing us of this intent at least 48 hours ahead of time. The executive team and other active members of SEC would be happy to help you formulate your project as well as assist with its development and applications for funding.

If your funding application is approved, the Student Environment Centre will reimburse you for the specified purchases and expenses. You will then be referred to our Treasurer, whom you must provide with receipts and/or proof-of-purchases. Reimbursement usually takes about 5 business days. In the event that a student is unable to make the necessary purchase(s) to start their project, arrangements for advance funding can be made.

**A Note about Eco-Initiatives Grants**

Eco-Initiatives Grants can be used to fund a wide variety of projects: any projects related to the environment or sustainability, and involving members of the UBC student body, will be considered. However, funding requests for projects undertaken as part of coursework at UBC, or individual volunteer projects, must illustrate a connection to the wider student body. Should you have any questions regarding the Eco-Initiatives Funding, please contact feel free to get in touch with us using any of the aforementioned methods.
