

Agenda:

1. Check-in: Name, Year, Area of Study, Your Ideal Weather
 - Number of participants (including Exec members): 9
2. Funding Proposals
 - a. UBC Environmental Policy Association Climate Talks - \$450
 - i. These climate talks have been held regularly for the last several years
 - ii. There will be three this year, starting on Nov. 22
 - iii. Expecting 40-60 people to come
 - iv. They've received a grant of about \$700 which will fund projects other than their climate talks
 - v. SEC funding will be used for snacks
 - vi. Decision: We'll fund them \$300. We also suggest that they buy brownies, coffee and tea from Sprouts.
3. Student Sustainability Council Updates
 - a. Sustainability Storytelling and sharing night
 - i. Where: Abdul Ladha Science Student Centre
 - ii. When: November 20, 6-8 pm
 - iii. Hosted by UBC sustainability ambassadors and AMS Sustainability
 - iv. What: Sharing your stories and struggles with environmentalism
 - b. How can we better integrate wellness into the Lighter Footprints Strategy?
 - i. Refer to document posted by Ela
 - c. Reducing Waste on Campus
 - i. Students play a large role in compost contamination
 - ii. Mobilize students to advocate for practices that reduce waste
 - Next steps: creating a document and sending that to the University
 - A rally, protest?
 - A utensil bank with an industrial dishwasher so that all clubs stop using plastic utensils
 - d. Example of funding proposal dos and don'ts on the website
 - i. Include a list of places where students can get cutlery and plates for free
 - ii. List places student can advertise electronically for free (e.g. Abdul Ladha)
 - e. We should do a website crawl to figure out what's out of date
 - f. Make the SLSC a priority and make sure if it has cutlery, plates and an industrial dishwasher (cheaper, reduce waste)
 - i. Make a certain amount of time for the SLC, so that it's allowed to use a food vendor's dishwasher
 - g. Green Tea Talk
 - i. Post-COP

- ii. Mending/sewing workshop in January or February
 - h. New member recruitment
 - i. Clubs day next term - we'll be boothing there
 - i. Brunch/work meeting on Sunday, November 19th
- 4. Ongoing Initiatives
 - Water bottle reclamation - Bilal
 - After a certain date, lost water bottles will be donated to charity
 - We want to reclaim at least part of those water bottles to redistribute to the UBC community
 - Metal utensil bank - Aditi
 - Will contact SLSC
- 5. (More) Opportunities to Get Involved
 - The Feeding 9 Billion Challenge
 - World's Challenge Challenge
