12:30pm, SUB room 245**

Office hours:

Mon 3:00 – 5:00pm

Wed 3:00 – 5:00pm

Room 245B

Meeting Minutes

1. Check-in & agenda

2. Funding proposals

a) *Poli Sci Students Association*

- \$500 for catering and marketing costs:
tabled

- still some uncertainty as to where the
marketing costs are going... the funding
proposal is not very clear.

- we will email them back with a request
to clarify and sharpen their proposal and
budget better.

b) *PowerShift 2012*

- a conference in Ottawa-Gatineau
gathering over 1500 youth concerned
about the environment to skill-share,
gather knowledge and emerge as
strong leaders on the environment for
tomorrow

- \$200 to subsidize travel and
registration costs for members of
Vancouver PowerShift 2012: **approved!**
- condition: host a workshop on what
was learned at PowerShift!

3. Advertising current resources!

a) *SEC Library*

- lots of ideas tossed around about a
checkout system... do we want to make a
library membership?

- we need to start cataloging the literature
we have available for students and
advertise it!

b) *Funding & space?*

- we are on a good roll of events and
support right now... we should focus on
building and improving the web site and
add to our resources!

4. Building resources

a) *Web site*

- the web site can be the main hub of
community for SEC -> huge potential for
resources!

- we will make the website open to all of
those who wish to help contribute to it.
Simply let us know at enviro@ams.ubc.ca
if you're interested!

b) *What resources are needed right now?*

- a database of all green clubs on campus,
opening up channels to feature them
prominently on the web site
- updating information and documents on
the web site
- making the web site more accessible and
user friendly

c) *What are we looking at for the future?*

- possible collaboration on a "UBC Map of
Awesome" with SFR Committee
- building infographics, presentations and
other resources
- and other things?

5. Adjourning of the meeting
