September 12th, 2012 - Meeting Minutes

1. Introductions & check-in
2. Exec introductions
3. What is SEC?

The Student Environment Centre (SEC) is an AMS resource group providing resources for student eco-initiatives and spreading awareness about environmental issues. In earlier years, we had the most success with member-started groups. This year, we want to focus on volunteer projects and resource building. Our office is in room 245B, and meetings are Wednesday at 1pm in room 245 of the SUB.

4. Plans & events
 - Clubs Days, September 19 – 21
 - Shoreline Cleanup, September 22nd (1pm)
 - Community herb garden on the balcony and seed-saving initiative
Organizing a subcommittee
 - Biweekly discussion groups (interested in helping coordinate? Send us an email!
 - Resource building groups! TBA

5. Members' time
 - Two members present are part of RISE, a social enterprise working to popularize thrift and upcycled clothing. Perhaps working with SEC for awareness and resources? (info: <http://www.launchthemovement.com/#!/home/mainPage>)
 - For “No Paper Towels” week:
Debating between selling and giving away handkerchiefs. Consensus loomed around giving away.
Lots of positive discussion about the campaign!
Want to volunteer? Email us or visit during office hours!
