Hello members!

Thank you to all the folks who signed up at the TEDx Terry Talks today! Many great and inspiring topics were shared and discussed there and we are bringing it back into the fold of SEC as we move forward with our initiatives this month and next term!

Relevant news:

1. The “Back to the Hankies” Campaign launch is less than two weeks away! The subcommittee is working hard to plan and prepare for the launch: the next meeting is next Wednesday at 1pm, room 245 of the SUB. Want to volunteer and help make this launch a huge success? Just drop by at the meeting! New volunteers are always welcome!

2. The Resource Groups collective is having an open house on the 14th of November in room 245 of the SUB. There will be pizza, sushi, drinks and fun times to be had! You will have the opportunity to meet with the members and executives of the Social Justice Centre, the Womyn’s Centre, Colour Connected Against Racism, Pride UBC, the Student Environment Centre and Ableism Speaks, and learn how to get involved any of these groups! The event will be held at 7:30pm on November 14th, so come on out!

3. We are partnering with Community Eats and Sprouts to present “If A Tree Falls”, a documentary on the history of the Earth Liberation Front, on November 21st. Time and place will be updated very soon, so keep an eye out on Facebook and our website!

4. Are you interested in planning or hosting a workshop, talk or discussion related to environmentalism, sustainability or related issues? We’d love to feature you in our D.I.G. (Do It Green) or Eco-Action workshop series for next term! Send us an email at enviro@ams.ubc.ca!

That’s it for this week! Thanks for reading!
